“ A rose once grew where all could see, sheltered beside a garden wall, And, as the days passed swiftly by, it spread its branches, straight and tall- One day, a beam of light shone through a crevice that had opened wide- The rose bent gently toward its warmth then passed to the other side- Now, you who deeply feel its loss, be comforted- the rose blooms there- Its beauty even greater now, nurtured by God?s own loving care.##imported-begin##Tangie Wooden##imported-end##
