“ *So very sorry to hear of Aunt Caroline's passing. Always have fond memories of visits to her and Uncle Moe while growing up. Learning how to clean shrimp and make, I think it was, Shrimp Creole. Okra from her garden. Her visit to DC when honored for being an influential teacher. And just her beauty, kindness, and goodness in any interaction with her--even if only by phone. She is missed.*

“ To Caroline's family - I am so very sorry for your loss. You had a true gem in this beautiful woman. Caroline Davis was my 11th grade Honors English and 12th grade AP English teacher. She took me under her wing and helped me in so many ways. She 'adopted' me as her granddaughter, while I was still at MBHS. Our senior class, those of us blessed enough to have her for AP, had such a unique bond with her. I'll never forget the field trip to Brookgreen Gardens, where she performed a cartwheel for all of us! She was such a spirited, fun, and lovely soul. After I graduated from MBHS and headed to college, I never forgot her, for every spring break, summer, or anytime we had the chance, Caroline would meet my mom and me at Sea Captain's House for lunch. I have such fond memories of this beautiful woman. This world has lost an angel, but I know she was received by her Maker with full fanfare! Go rest high on that mountain, Caroline. I love you.

“ Mi Mi was such a blessing as a grandmother to me and great grandmother to my boys. She was a wonderful role model and raised my amazing father and uncle. She touched so many lives as a teacher and was loved and respected by students. She was the epitome of a classy, southern lady. We treasured the time with her. She was constantly reading, had fun trivia and riddles to share and some of my favorites memories are of her on the beach and her wonderful laugh. I know she is at peace, resting in the glory of the Lord alongside my grandfather.
