“ Mrs. Hester,

What an amazing woman! I had the privilege of knowing the Hester Family for over 45 yrs now. What started out as a working relationship between my Mother (Annie Lee) quickly developed into a strong friendship. I have many fond memories of growing up and seeing the bond grow between my mom and the entire Hester Family. The way they embraced her, showed compassion and most of all treated her with respect and dignity. When God brought my Mom to be with Him in January 1992, Mrs. Hester was one of the first people my family spoke with. She gave eloquent remarks at my Mother's Homegoing that I still treasure today. During the last 30 yrs Mrs. Hester has been like my adoptive Mother and she thrived and cherished that title. We always maintained communication via a phone call or the sharing of cards/letters. I actually just received her last card sent to me during Easter a few weeks ago. I am going to miss her soft voice and amazing hugs. I know definitely one of the first people to greet her as she entered Heaven was her dear friend Annie Lee (and boy do they have a lot of catching up to do).

To the Hester Family, especially Kelly and Caroline, please know The Hamer Family is wishing you comfort during this time and our hearts are breaking for you.

*Love always,
Diane, Terreia and Craig Hamer*

Love and prayers to the family of Caroline! I will never forget the beautiful smile that Caroline had on her face the Friday that I met her in 2006. I saw her weekly and from that day to the last time I saw her in March of this year, she wore that smile well. I will forever cherish our sincere sharing and laughter that meant much to the both of us! Beautiful Caroline, rest in peace!
