“ We were so busy with our own that I did not see about Carolyn's passing. We want to extend to her family all the prayers and thoughts we had for her during her struggle with cancer.

We knew Carolyn as our State Farm Insurance Agent for almost the 30 years we have lived here. Such a warm and upbeat person. She will be missed by many.

“ Christine, Tyler, Kelli, Caitlyn, TJ, Kingsley, and Cooper, Eddie - you have been in our thoughts and prayers since we learned of Carolyn's physical decline and, we continue to hold you in our hearts. We are sorry to be so far away and are sad because we could not make the trip there for the memorial service - there was not enough time and weather was so severe between Wis and SC. We remember Carolyn as a fun-loving sister and now she has a new life and a free spirit and will join all of those we love who have passed before us. May God hold us all in His ever-loving arms and comfort us in our future days. Love and hugs, Uncle Charles and Aunt Marianne
