“ Tony.....It's been hard to put our thoughts and feelings into words. Only you and Carol knew the hardships she had to endure. You were always by her side when she needed it as she was there for you when you were in need. We will surely miss her but we believe Carol is in a better place with her pain and suffering finally over. Carol.....We love and miss you. “ Michael, I want to extend to you my heartfelt condolences for the loss of your mom. I just talked to Hope and she told me your mom was 59 yrs old. I lost my father last year and he was 51 years old. I am sending you this email so that you can be encouraged. Weeping may endure for a night but joy comes in the morning. Just realize that God is an awesome God and he is carrying you in his loving arms during this difficult time in your life. You loved your mom but God loved her best. He called her from labor to reward and her reward is in heaven. Tamara##imported-begin##Tamara Brown##imported-end##

“ Words cannot express the loss we feel as a family at this time. God has called Carol home to relieve her suffering, but taken her from our daily lives ? somehow we must find comfort in that. The memories of times we shared are a part of our very being and which comes together to form the fabric of our lives - always to be present and a vital part of what and who we are. We are grateful for her kindness, advice, and love, and for the special place she will always have in our heart. Love Always ? Dawn & Jim###imported-begin###Dawn Golden###imported-end###
