“ Dear Morrisette Family: Even though I did not work shoulder to shoulder with Carolyn, we have talked on the phone many times over the years here at Conway Medical Center. She was part of our hospital family and I can still see her face each morning meeting her in the hallways. She was such a kind and sweet person. She will be missed. “ NIGHTFALL by John Oxenham Fold up the tent! The sun is in the West. Tomorrow my untented soul will range Among the blest. For I am well content, And what is sent, is sent, And God knows best. Fold up the tent, And speed the parting guest! The night draws on, tho night and day are one On this long quest. This house was only lent For my apprenticeship - What is, is best. Fold up the tent! Above the mountain's crest, I hear a voice calling, calling clear, To rest! To rest! And I am glad to go, For the lamp burns low, And rest is best!###imported-begin##Garry###imported-end##
