“ I am so saddened to hear of Carolyn's recent death. She was one of the most knowledgeable people in her profession. She was excited to share this knowledge with her students. She was a very caring teacher for both students and co-workers. Sincerely, Camilla White O'Neal, MTASCP 529 Bay Cove Lane Wilmington, NC 28411##imported-begin##Camilla White O'Neal##imported-end##

“ Big Sis, Big Sis - Carolyn I have missed you for a long time now and had no idea how hard the final good bye would be. You were the BEST! How fortunate I was that you would drag me along with your friends to to movies when I was a young brat. You invited me to spend a weekend at Wake Forest with you and took me to my first ACC game - Wake vs Carolina. So you were the one responsible for my life long love of ACC b-ball. Thank you. But one thing you did that not many big sisters would do, you actually let me drive your brand spanking new 1961 blue & white Chevrolet Impala with its passing gear! My friends love you for that too. Hey we got to go to the Miljo and have pizza burgers! Your one big flaw was giving me too much to live up to! I've had a big time today making a memory board with Conne for you. We have felt you with us laughing at memories and loving some of the 'bathing beauty' shots. Thank you - I was blessed with you and will miss your presence until we are together again. With great love, Little A###imported-begin##Helen Merritt###imported-end##
