“ Hi, Aunt Carolyn. I didn't get to see you as nearly as much as * would have liked but now that you're on the other side I hope your spirit does stay close to me as well as all of my Tate family. I'm sorry things had happened where we couldn't be in each other's lives as I'm sure you wanted as much as I did. Next lifetime, I swear. I love you now and forever, Carolyn and all of my Tate family. Love, Clem!!
xoxo

“ I'm not sure if I knew Mrs. Fowler but my deepest condolences, thoughts & prayers will be with all the family. I did however know Jason when he was a little boy & my neighbor on Fowler School Road. I will be thinking of all of you including Jason in the many days ahead. Look to the good Lord for comfort & the healing in time He very much wants to give you. God bless each of you.

“ Carolyn was a good friend. She always had a smile and only nice words to say. She always told me she loved me even though I was crazy. I will truly miss her. My thoughts are with her family.
