“ Caroline, you were a beacon of light and warmth that reached out to everyone who was blessed to know you. I will miss our telephone chats; will miss your memories of Mary which you so generously shared.

*I love you, Mama. Feeling a bit jealous of Mary right now, knowing that you are together. But I am also happy to know that you are without pain; that you are full of energy and God has healed you. Keep me in your prayers.*

*I will remember and love you always.*
