“ Carolyn was a good friend of mine years ago in school. As I write this, I am reminded of so many fun times during our high school years. I do regret that life has taken us all in different directions and I have not had the opportunity to see Carolyn in recent years although thought of her often. She will be remembered by us all.###imported-begin###Shirley Avinger Huggins###imported-end##

“ I was greatly saddened to hear of Carolyn's passing, and I especially regret that I did not have a chance to visit with her in recent years. She is a part of my earliest memories. I see her in a beautiful dress arriving at my birthday party somewhere around age five. I am unable to attend the services which I regret, but my thoughts and prayers will be with you.###imported-begin###Carolyn Darden Karn###imported-end##

“ I have many memories of Carolyn from high school. We were both members of a group of seven girls we called the "GLGs" the actual name is still a secret, 46 years later! We had so many special times, and I am sad to think that we have suffered the loss of a member. I cannot attend the service, but I am sure that all six of us will be thinking of Carolyn and her family tomorrow.##imported-begin##Vicky Hennies Snowden##imported-end##
