“ So very saddened to learn by way of a returned Valentine card that my dear colleague Carolyn had passed away We worked together at Frederick High School in Upper Marlboro, Maryland where she was a beloved guidance department secretary. Carolyn was the perfect face of the department with her warmth, welcoming spirit, and sense of humor. Fortunately we kept in touch over the years so her presence in my life continued May she rest in peace with Amanda and Gardiner. Mary Ann Bailey

“ I met Carol in 9th grade at Charles Carroll. Her, Peggy Bren and I became friends We shared a lot of good times and laughs at junior high and high school and at Ardmore Teen Club. When I got word that she had passed away I was shocked. The three of us planned to get together for a weekend and just enjoy ourselves. I am going to miss our great conversations, my dear friend, and will see you when I get there too.

Love you bunches, and hugs to the three of you.

“ I was very sorry to hear of Carolyn's death. I have many fond memories of her wonderful easy smile. She was a good-natured woman and truth be told; she was the glue that so many times brought together her extended families for picnics and many other happy get-togethers. I told her once that she was the big sister I never had. I know the world will be a lesser place without Carolyn walking among us. God bless you, Carolyn. Give Amanda a big hug for me.

“ *Aunt Carol where do I begin. When I first received the news that you were in the hospital I began to worry. Dad and Sharon kept us updated and I kept praying that you would pull through. Dad called me last week and I could tell in his voice that he didn't have good news to tell me. Jonathan and I rushed to Myrtle Beach as fast as we could. I am so grateful that I got to see you and tell you how much I Love you. I have so many childhood memories to cherish And I am happy that you are reunited with Amanda, Moe, Pappy and your Mom.*

We will be ok but it's going to be hard without you here. I Love You and Miss you..

“ My deepest sympathy goes out to Carolyn’s family and friends. She is definitely going to be missed by many, she was a wonderful woman! John and I had an opportunity to have lunch with her and Big Man when we lived in SC. I take comfort in knowing that she has been reunited with her loving daughter Amanda and her loving husband Gardiner. May the 3 of them have a wonderful afterlife being together again!
