“ I am so sad to hear of Mrs. Prince's passing. I got to know her and Councilman Prince while traveling on behalf of the Council of Governments. She was a delightful and thoughtful lady and we had some very fun times. We visited the LBJ Ranch in Austin and went to the reenactment farm next door. I was stunned at both of their knowledge of farming when on that tour. They had the re-enactors tongue tied. They knew more about it than they did. She will be missed by all. My heartfelt condolences to Councilman Prince and the family. you are all in my prayers
