“ I had the pleasure of working with Carolyn at DHEC. She was so kind to me as I was new in my role. She shared her knowledge and taught me so much. She always greeted me with a smile. Carolyn was very generous. I remember I so needed a get away with family and she let me stay at her beach house . She spoke often of her children and grandchildren. She was so very proud of them and loved them dearly. Prayers to her family at this difficult time.
