“ I am sending to the family my sincere condolences in the death of Larry. I have not seen or talked to him since high school, but I remember him well. We were in the CHS band together and he was very nice to everyone, handsome, and the tallest of all the band members. In reading his obituary, it was evident to me that he lived his life well, and I am sorry he had to leave this old world. May he rest in peace.

“ Larry was one of a kind, always riding around on his bike, talking to all. He had a gift. When he couldn't do the bike anymore, next came the golf cart, scaring me when coming in the driveway. Will miss seeing him fishing in our backyard. Now he is doing heavenly fishing....Our thoughts and prayers to Anne and family...
