“ I am sorry to hear of the passing of Mr Galloway. I did not know him, but I have known Jimmy for some time. By the way, my relatives include a very large of Galloways, as both of my grahdmothers were Galloways. May God bless every one of his family and friends. My thoughts and prayers are with you.

“ I have many loving memories of Donald. He always kept something going. He always had something witty to say about everything and just a special twinkle in his eye. My family all thought the world of Donald. He was a special person. My thoughts and prayers are with the family. All of his family hold a special place in my heart.

“ Don always had plenty of laughs and funny stories. In late 70's, early 80's he would share his home with me in summer and even invite my friends to crash. Tony as security would have to keep us all in line. Great memories. He was the first to introduce me to the OL golf cart and cruisin the campground strip. 30 years later, my family still comes to OL every year. Now we have to get two golf carts....one for us and one for the kids. The kids can't live without the experience. We will miss him.

Kari's brother David.
