“ I worked with Ms.Cathy at Sears in Monroe, NC. I never met a more helpful, caring and loving person than Cathy. She helped out so many people and every customer that came in always acknowledged her. We shared so much in common especially our accents and where we were from. I will truly miss her much.

Wanted to share some photo's of Cathy that I had. Cousin Cathy lived nearby and we all spent many a day exploring Charlotte and surrounding area. Cathy was always up for something new and we had fun over the years. We will miss her. Jerry Faraci

“ *Cathy and I have been friends for 34 years. We lived in the same neighborhood and our children went to the same schools. We were there for each other in happy times and sad times. Her courage and strength throughout her life is something I always admired. I will miss all our talks and laughs, my forever friend.*

“ Cathy and I worked together at the library and enjoyed many laughs plus a great friendship. When I first started working at the library, I was working on the front desk. I had taken off one of my shoes and unbeknown to me, Cathy had slid my shoe away. I started looking for the shoe and Cathy finally couldn't stop laughing. Loved that lady. My deepest sympathy to her family, she will be missed.
