“ Cathy,
We had lost touch over the years but I will always cherish the memories we had growing up. From watching the Hudson Brothers on Saturday morning pretending we were one of them to putting on shows for the family . One song that I will always remember is “Gomer says hey” and let’s not forget “20 Froggies”as that one would always make us laugh as we splashed water at each other . To me , you will be my goofy cousin. Till we see each other again ,
Rest in Peace .
Love You
Pam
