# Tribute Wall

“ To the whole Giovanni Family and all relatives: Our deepest condolences go out to You on this day. Beloved aunt Catherine was truly a big part of our lives and was very close to our hearts. She always treated us like we were her own children. I remember the times our families were together and when the Giovanni family lived in NY and NH. It is hard when families drift apart in life, and distance. We never felt that we have been apart from you in the spirit , however. Our prayers go out to you and we want you to know that we are with you at this very difficult time and send out our deepest prayers for comfort and strength. With heartfelt sympathy. Kyros, Liz and Cassie.##imported-begin##kyros malouta##imported-end##
