

Lynn Koon Roberts

January 29, 1947 - March 21, 2026

Surrounded by loved ones, Lynn Koon Roberts passed away peacefully on March 21, 2026 after a courageous battle with cancer, entering Heaven's gates with grace and strength.

Ms. Roberts was preceded in death by her parents, Alton Leon Koon, Sr. and Doris Faulkenberry Koon, and her brother, Irby. She was a graduate of Aynor High School and Winthrop University and dedicated her life to education. As a gifted and talented teacher in Horry County School's "Pelican" program, she inspired countless students with her passion, creativity, and unwavering inspiration.

She found great joy in crafting-an art inspired by her mother's talents-gardening, and caring for her immaculate yard. In her younger years, she cherished time spent with family at the beach and later found peace and relaxation in the mountains of North Carolina.

She is survived by her two loving sons, Jonathan (Ashley) and Josh (Katherine); her sisters, Marian and Nancy; her brother, Alton; her beloved friend, Frenchie Carter; and the true lights of her life, her grandchildren, Dylan, Berkeley, and Hayes. Being "Nana" to her grandchildren was her greatest joy. She was endlessly proud of each of them and supported them with boundless love and encouragement.

The family would like to thank Ms. Lynn's amazing caregivers, especially Gayle Fanshaw and the staff at Gentiva Hospice.

In lieu of flowers, Ms. Roberts requested that donations be made to the American Cancer Society, P.O. Box 6704, Hagerstown, MD 21741 or to the Salvation Army, 1413 2nd Ave, Conway, SC 29526.

A private family celebration of life will be held at a later date.

“ Mrs. Roberts was a wonderful teacher! My sister and I both enjoyed having her as our Pelican teacher. Our mother, Felicia Hucks, shared classrooms together as mom had one side and she had another. We are so sorry to hear of her passing.

“ Ms. Roberts was one of my favorite teachers ever. She was committed to providing children with opportunities to engage in creative problem solving, and I couldn't wait for Pelican days to come around in elementary school! I think her teaching is a big part of why I became an education researcher. Teachers like Ms. Robert's ignite curiosity and a lifelong passion for learning. I'm sure mine is one of many such stories. I am so sorry for your loss, and you will all be in my prayers.

“ Mrs. Lynn taught me in Pelican at the old Aynor Elementary school. She was a wonderful teacher and I still have many wonderful memories of her as a teacher. She was an inspiration to everyone around her. I still can remember our overnight trip to 4H camp and the way students just loved being in her class. She always challenged us to be the Best version of ourselves. Sending love and condolences to her sons, Josh and Jonathan and her entire family.

“ To the Koon and Roberts families:

We send our deepest condolences to Lynn's immediate and extended family. Know that she talked about you all with such love and admiration, and I know that is what she felt from all of you. I will always remember the education she gave me about the beautiful plants in her peaceful yard each time I was there. We will be praying that you can eventually find comfort in your memories of happy times spent with her. She was special, as all of you are to us.

*Sending love,

“ *I met and knew Lynn because she taught my two girls in Pelican class and also that we worked at AES. From the first day I met her I enjoyed our visits and felt blessed that she was my girls' teacher. Caring, kind, engaging, intelligent, interesting etc. are just a few of the words I would use to describe her. Anyone that knew her was blessed! So sorry for your tremendous loss! 😊*

“ Lynn was not only my cousin, but my dear friend. We seldom went more than ten days without talking. Our conversations and the sound of her voice will be terribly missed, though she desperately needed relief from her earthly pain. Rest in peace, my precious friend and cousin. I'll see you again.
