“ I am so sorry for your pain, for I know it does hurt. As I have lost my son 6 months ago. I can tell you that this is when we celebrate the life you had and still will have with Cathrine, as she still will be with you. This is when Cathrine is beginning her journey with God. God loves us and has a plan for all of us. So don't be sad, she is still here with us in another way. We will all be with her and god another day. Let the tears fall,
as they will help heal your pain.
God Bless you,
Tammy Harrell
