“ I have a vivid memory of Mama Phipps driving her old 5 speed singing “Brick House”.....”built like an amazon.” She danced and sang like she knew the song was written for her. And she was an amazon woman, an inspiration to me and a person that I try to be like now as an adult. Steph and Wendy - may you be surrounded by love as you both work through this. May the treasured memories be a constant reminder of the blessing your mother was to your lives.

You made me laugh, Mathis! What a great memory and you nailed it. She was always singing that song back in the day. Thank you for loving her.

“ *Mama Phipps. You have been a shining light for well over the 30 years you "adopted" me as your Mikey. Your love for us all, especially "Your Girls" was unparalleled. Then came Gannon, T, and Marklie- the true apples of your eye. You made our lives wonderful, and we always know that we have a wonderful guardian angel watching out after us all. Fly free Mama P!*
