“ *Dear Earl family so sorry to hear of your loss. The death of a child can feel as an impossible mountain to climb over. This is a time to draw close as a family and to God. He can help. 1 Cor. 1: 4 Tells us that he is the God of all comfort and can help us through our trails. I to know this pain an one thing that truly help me was reading a brochure entitled "When Someone You Love Dies...." It helps you through all stages of grief. I found the information it contains invaluable in helping me cope with my loss. If your family would like some copies of it I would be more then happy to send them to you. You can reach me at bigfred1985@yahoo.com. I will pray for your family and again am truly sorry.*

“ Today we put to rest a beautiful little girl. She will forever be in our hearts and one day we will all be able to hold this sweet angel again. Dear God, please free Casey and Roberta of their pain. Help them know with out a doubt that they will see their little girl again. Help pull them closer together in their time of need. Help them be strong for there other two girls. In Jesus name I pray, Amen
