“ So sorry to hear about Cecil. She was a dear friend and a great nurse. She was also talented with her sewing and making quilts. We had some great times together at The old Conway Hospital. She was a Charge Nurse on Second Medicine. We worked together for a long time and have had some great times together. She had lots of common sense to go along with her academics. Cecil was very special to all her friends and hospital family. My heartfelt sympathy, love and comfort go out to her family during this special time of sorrow.
