“ My mother is also at NHC, so I saw Teeny frequently during the last 4 years. She was always cheerful and friendly to everyone. She was helpful to the other residents both with her attitude and helpfulness. She was a very special person. Linda Bianca (daughter of Janet Patton).

“ Jami, Charlotte, Tara, and Sonny,
I am so sorry to hear about your mama. "Miss Teeny" was always one of my favorite people. I enjoyed spending time with her when my family and I lived in Pawleys Island, and of course, I will never forget the days on Meadowview Lane in Mullins. My thoughts and prayers are with you all.

“ A very special lady who had an infectious smile, a determination that was unmatched and would drive us crazy with her independence. I am so glad to have become a member of her family and will miss her very much. The Lord has received this wonderful lady and she is lighting up the heavens.

“ *I visited Teeny at NHC for the past two years. When I first started visiting her, as soon as I mentioned I was from Belin, her face would light up with the biggest, brightest smile, letting me know how much she loved her church. Later, she would recognize me as soon as she saw me, and there would be that beautiful smile. I'll miss that smile, but I know it's lighting up heaven now. My deepest condolences to the family.*
