“ *My condolences to the family of Mr Brigham. I had the honor of working with him while he served his community on county council. His character and kindness showed what a good man he was. He was always so supportive and encouraging to me. I have nothing but good memories whenever our paths crossed. A true southern gentleman. I know he will be missed. So sorry for your loss.*

“ *Dear Amma Dean & family,*

*We are so sorry to hear about Chandler's passing. It has left a great big void. We always enjoyed visiting, sitting on the back porch listening to the water in the creek when you were up here at your house near Newport. We'll miss those visits in the future. But hopefully it won't be long before the Lord Jesus comes back for his bride and takes us all home to Heaven where we'll never have to part any more. May God bless and keep you in his great big arms and comfort your hearts and give you peace during this time of sorrow and always is our prayer.*
