“ Oh CHARITY I'm so deeply saddened by your passing. I light this Rose color candle because I read if you smell rose aroma out of nowhere it signifies Angels are present. When I saw the color as Rose I knew deep in my heart you are truly safe and with God. May your family Pam, Mike, Betty, Ryan and Chase find peace. Your Mama told me you were doing something wonderful for Aunt Delores and Betty having fish from Shelleys. A charitable woman our CHARITY COOPER!

“ Pam,

I am truly sorry for your loss. I was devastated when I found out. I always remember her with a smile on her face. I loved when we used to share the dance stories of the silly things she would come up with in class "step Kick" well that's not what she said but that was what it was supposed to be. I know in my heart she is dancing and smiling and looking down on you. She was a special girl!

“ Pam, Mike, Ryan, Betty,
I was devastated when Chris told me that Charity had passed away. My heart and very soul ache for all of you right now. My tearful prayers are with you today and always. God had a better plan for Miss Charity. I remember picking her up from the nursery when she was a baby girl. I used to tell all my neighbors that she was mine. She was so precious. I didn't get to know her in her growing up years or her adult years. I know that she was just as precious. I know she was a true gift. Although, I can't be with you right now, remember that all of you are in my prayers. I will see you soon Pam. I love you kid. I remember when you were just a squirt, but beautiful. I know the true pain of losing a child. I miss my Timothy. Its gut wrenching. Please know that God has all of this under control as he always did. He will be with you always. God bless all of you.

Love in Christ,
Deb

“ *Charity lives in my heart. Charity will never be forgotten, a special angel that lived amongst us confirming love for mankind. Charity helped me with Paparazzi events and we always had many laughs and enjoyed the customers. Charity loved her jewelry business. We spoke just a few days ago on social media. We spent time together just a week ago Saturday. Never miss an opportunity to say I love you and enjoy your loved ones. Time is drawing near. .. RIP beautiful angel you are loved*

“ *Charity was a very sweet young lady. She was always willing to help with anything I ever needed with Papparazzi. She was a kind spirit with such a caring heart.*

We are like a "family" our Team of ladies with Carolina Papparazzi Diva's and I know that "when I heard" .. my heart just broke with sadness.

Losing anyone especially a child is devastating and we have a hard time understanding the "why" .

But then by faith, I rejoiced for she is "well now" .. as I know that Heaven received another angel.

Know your daughter touched many with her life .. I only have known her since April - but she definitely touched mine with her sweet smile and kind heart.

I know that there is "no right words" to say that is going to help ease the pain of your loss .. just know many are thinking of you and praying for you with deepest sympathy.

“ *Charity was such a sweet soul any time I needed some advice on my own battle with epilepsy along with my daughter she was very helpful in giving advice an telling me to be strong an to pray for my baby. Just light up the room when she walked into an we were recently talking about the struggles that we face everyday an how we just have to be strong and I'm sure she was up until the very end thank you for being a blessing in my life an although I haven't seen you in a few year's I'll never forget your spirit. May your soul rest in Heavenly Peace.*
