

Charlene M. Stryker

November 11, 1962 - January 25, 2024

Charlene M Stryker, age 61, of Murrells Inlet, passed in the embrace of her childhood best friend, Christina Madden on January 25 2024 at 4:30 p.m. comfortably and at peace, she was finally free from the binds of cancer that came on so fast in her final year of life.

She lived a fulfilling life full of adventure and wonder. Travelling the world and pursuing her dreams. Spreading love and compassion to anyone she ever met.

She was born on November 11, 1962 in Providence RI, daughter of the late Ida Clark and Charles Huling. She grew up in the ocean state with her sister, Mary Huling, and later in life met her love, Gary Stryker, who pursued her dreams of mountain air and lake life in New Hampshire with her and her two daughters, Brandalyn Mazzatto and Lacey Huling. Her daughters gave her 5 beautiful grandchildren, Hazel, Ellie Mae, Syllas, and Jackson who she cherished.

She followed her ocean roots back to Myrtle Beach South Carolina with her husband and sister, and lived a happy and comfortable life until she was called back to the heavens.

There will be a catered memorial gathering in Charlene's honor from 2:00-4:00

PM, Saturday, February 10, 2024 in the Celebration Center of Goldfinch

“ *Charlene was beyond thoughtful: She was always baking some delicious thing or another to bring into the office. She made everyone's birthday something special with a cake she either baked or took the time and found out your favorite and brought it in, and she always had a gift. Charlene made all of the holidays at the office a celebration with decorating and organizing parties, Halloween was no exception as she would have us all carve a pumpkin or decorate a paper one. This past Christmas Charlene brought tears to my eyes as she had Gary bring a gift for each of us. Regardless of how she was feeling, she thought of others, she thought of us. Charlene our hearts are broken because you have moved onto a better place where will cannot see you. However, you are felt in our hearts every time with think of you. Never forgotten!*

“ *Charlene was always so kind and thoughtful when it came to her Bluegreen Family, she enjoyed making sure she shared her wonderful recipes and desserts with everyone. Even through all the pain she endured she still found a way to smile everyday she came to work and made sure everyone felt welcome. I'm sending prayers to her family, husband, and children. Thank you for allowing us to share such great memories with a loving person.*
