Jeanette

I am so sorry for your loss. You and Chuck were one of the first friends I had when I moved here. I will miss his laughter and both of you were always there for everyone else.

Chuck has now taken his journey with the Lord. Hope he gets to spend time with Dale. May God grant you all the strenght you need through this tough time.

If there is anything I can do for you, please let me know.

Love you, Jean Heiner

“ My dearest Aunt Jeanette. The memories I have of Uncle Chuck are those of love, peace, and grace. He meant so very much to me, as do you. Without the true care and courage you showed me I would not enjoy the life I have today. I will miss Uncle Chuck and think of him often. “ Remembering my brother Chuck today, he and I started working with the Kairos Prison ministry the same year together. He was a gentle giant that always had a smile on his face and was always eager to see the men inside of Evans Correctional. He never lost his focus that he wanted to share the good news about Jesus with each person he could.

One of my most favorite memories of Chuck happened during the Kairos weekend. He was giving a talk during a thunderstorm and the power went off, Chuck waited a few seconds to see if the power would return, after 20-30 seconds he reached over and picked up the candle beside the podium and continued with his talk. He finished his talk by candle light and it was a powerful moment. Again Chuck never lost his purpose to share the Love of Jesus.

We love you Jeanette, and are praying for you and your family during this time.

“ Jeanette and family,
Sad to hear about Chuck's death. He was a true brother in Christ and I have so many great memories of him during our many Kairos gatherings. He was loved by our team and by so many of the residents at Evans. We know Chuck is with JESUS and we will be together again. God's peace and comfort to you all.

Jesus said "you will know them by their fruit". The fruit around Chuck's tree is well deserving of the words "well done good and faithful Servant". In a world of self centerdness Chuck spent himself trying to minister to other's. I pray for the Family and your hurt. Embrace the tears, share the stories, and lean on each other for strength. "To be absent from the body is to be present with The Lord". That is for those of HIS. You will spend all of eternity with Chuck, he will be waiting for you. Preacher Marty Griffin.
