“ *Mary Kay,*

*I have so enjoyed the time I spent with you and Chuck during the Wednesday morning services. You and Chuck were so strong in your faith and trust during healing when we would lay our hands on Chuck. There was power in that healing, we all felt it, you felt it and Chuck felt it. Now Chuck has received perfect healing.*

*I am sorry you have lost your husband. I pray your grief will be eased in time. I know that you will be okay knowing that your Chuck is now face to face with our ever loving Jesus.*

*Love,*

*Mary Kay,  
I am so sorry to hear about Chuck. I have such fond memories of both of you. Ross and I spent many dinners at your house. Remember that first giant grill that Chuck had? The memories go on and on--the plantation tour out of Georgetown, the trip to Italy, golf and on and on. You were great neighbors and Chuck will surely be missed.

“ *Uncle Chuck was also a very good athlete. He was a very good baseball player as a young man and Grandpa Wally had hopes he would become a baseball player. Grandpa said they would throw the ball for hours in the side yard in Reno. RIP Uncle Chuck.*
