To the entire Darville family, I want to express my deepest condolences. I worked with Charlie for 10 yrs at HRBLOCK. He often referred to us as the "blockheads." Heaven certainly is welcoming an Angel. His ring tone on his cell phone was "Reveille". So many memories and laughs. RIP Charlie, you will be missed by all.

“ I worked with Charlie at H&R Block for many years and he was a dear friend. I will never forget our trip to Florence to take the Registered Tax Return Preparers test and how we celebrated on the way home after both passing the test. He was a good lunch partner and friend. He will be missed. Thoughts and prayers to June and his family.
