“ To all my Davis cousins, I'm so saddened to learn of Jeff's passing. I'm so very grateful, Terri, that you allowed all your dad's Vaught cousins, to drop in without more than 20 minutes notice, to spend time with Jeff, a few months ago. I had so hoped I could see him again and "talk more genealogy," tracing our Davis family roots! He said he had more questions and more to share, and I regret it didn't happen. As a middle schooler, back in the 1960's, I was so proud that the handsome and sweet Jeff Davis was my cousin! Pete Byrd was my mother's cousin, and Jeff was my daddy's cousin. I had to really behave, to keep from shaming our families! Your daddy was such a special man, with so much integrity. He looks a lot like Uncle Vance, in this photo. Sending condolences and hugs, across the miles, from Virginia. Paula Vaught Adams

There was a man after God's own heart and he was always out in the world doing good for others. When our home was flooded, Jeff came to Westminster church early one morning and said he had heard that we needed a place to stay. We were a family of three with two inside cats. He did not hesitate and said "let's go". And so we did for the better part of two months. We had meals in common and spoke of how much he missed his beloved Barbara. He was definitely an angel and we will miss his good and loving nature

“ Leslie, Terry, Chuck,

Your parents were 2 of my most admired and loved people in my whole life. Your dad was my principal at Conway Junior High. He is the only administrator that ever made me write 500 times, “You must not yell in the hall.” And your mom was my Best Big Sister for many years. I stopped in her kitchen and sat on a stool many times for encouragement, advice, and prayers.
