“ We would like to express our sincere condolences to you and your family. With deep sympathy, we share your sorrow, after the tears have dried and the goodbyes have been said, all we have to hold onto are the happy memories that we've shared with our loved ones who have passed, this is what keeps them alive in our hearts and in our minds, and they will continue to live on, through us. May God give you the strength to endure the pain you are going through and may he embrace you and comfort your family during this difficult time."Jesus said to her: "I am the resurrection and the life. The one who exercises faith in me, even though he dies, will come to life.""-
John 11:25

“ So many thoughts gather around Eddie and Jackie growing up. I was blest to be able to spend a lot of time with Grandmother and Granddaddy Dorman, which put me right there with Eddie, Harry, and Nina. A lot of days I would ride the bus home with Harry driving; therefore Eddie would be doing something or going somewhere, and I would tag along. Probably persistent, as he would say.. If he went to see Jackie, I was right there..Mercy he had a tender spot for children for so many years. Fast forward, and he was the one that I called when being on the tractor, and had an incident that needed medical assistance. Dad was selling tobacco, and mom was managing the store. Uncle Eddie came flying down the road! He always had a smile on his face with humor in his heart!! The fishing and camping stories were lengthy and fun to share! Remember too how he loved the garden...
For Kenneth, Ronnie Cindy, and Wendy, your parents were very special. There was a bond of love between them that they wanted instilled in you and your children. May our Father continue to bless you as this chapter closes, and a new one begins. Anita
