“ Charles, my man whom I called "Chuckles"; gave me a beginning. He, other than my parents, gave me the start to a Life that I continue to Live. He believed in me, He listened to my sorrows and my laughters; that was part of my everyday life. I still remember, when I worked all day long and he came into my office with a TV and he said "Look if you are going to work all day long, at least have a TV to watch". So he had the TV hooked up.

Charles Dusenbury was the Creator, the Bible, the Beginning of Real Estate Appraising for Horry County. Chuck is the Grandfather of Real Estate Appraising; there is NO ONE who knows more about R.E. Appraising than Chuck.

Keeping that in mind; "Chuckles" ; I will miss you!

“ It was truly a pleasure working for Chuck for 14 years. He always had a smile and made the work place more like a family unit. I know he will be greatly missed.

“ Chuck coached the very first couple of seasons for the Myrtle Beach High School soccer team back in the early '70s. We were terrible and he handled us with great humor and patience. I never knew him after that, but his style made a lasting impression on me. He devoted a lot of time and effort with us, and we all appreciated it. RIP Chuck, you were way too young to move on.

“ Chuck Dusenbury had an ability to make me happy on my face. It is a tribute to his unique character and humor that so many of us will smile and see ourselves every time we remember him. The equation is unbalanced without him. Much love to the extended family.
