“ Daddy, I'm glad I had the chance to spend time with you and I will miss you. You were a lucky man to have had Nancy take care of you these last few years and I know that you knew that. Kaiden misses his Grampa Charlie and wants you to know that he loves you too. You were a good man Charlie Brown and I'm proud to be your daughter.##imported-begin##Genny##imported-end##

“ *So many memories run through my mind about Grandpa. Some of riding in his boat as a child and others at the VFW when he would place quarters on the pool table for me to play. The one thing that Grandpa would always ask, "What are you up to boy?" continues to ring in my head. No matter, you were a wonderful Grandpa to me. Thank you for the time that you gave me and the experiences I'll carry.###imported-begin##lil Homer###imported-end##*

“ *Grandpa! I miss you so much already but I know you are in a better place. Now you can eat all of the chocolate you want, whenever you want. I keep playing your little song in my head and it keeps a smile on my face. I love you and I know you will be watching over me until I see you again!!! <333###imported-begin##Caitlin###imported-end##*
