“ *I had the good fortune to have known Charles, and worked with him for many years. He was a big impressive man with a soft and kind heart. I consider the times we fished together at Martins Pond or over at Darlin Lake to have been some of the best times of my life. I'm proud to have known him and will cherish his memory for the rest of my life. My heart goes out to his family, but they can always remember having shared his years here and know that he was one of the good ones, the truly good ones. Jim Martin*
