I am one of Mike's co-workers at UPS in Florence . When Mike came to UPS in the mid-80's one of his 1st jobs was as my loader. Mike was one of the best loaders I ever had.He did not have to many misloads. Mike was not a big guy but he was very strong. He would put some stuff that was so heavy on the shelf that I could barely get it off the shelf. So one morning I told Mike about "those heavy's " . I said Man put those those things on the floor. We had a big laugh about it ! A few years later Mike when to driving and sometimes he would run my area while I was on vacation . He was a good loader and an even better driver . S.I.P. Mike !!!!!!!!!!!!!!!
