“Lois, My sincere condolences to you and your family. I worked with Charlie for 30 years, you probably don't remember me. Charlie and I went to a few sonar schools together in the early 70's. We worked together on and off throughout our careers at PNSY. My kids still remember him for his great belly laugh especially at the "Bear Jamboree" at Disneyland. I have a lot of good memories with Charlie thru the years. He was one of the really good guys and a great worker and technician in 67 Shop. I have not seen him since you moved south but I thought of him often. We recently had a 67 Shop reunion, and a few fond Charlie Griffith stories always come up. Charlie had a lot of friends at the Shop and the Shipyard he will be missed by many.

Sincerely,

Art Minchin, 67 Shop, PNSY

We will always remember Charlie's warm and booming laughter, his enjoyment of cooking and of food and of the time that he was on "snake look out" in our kitchen. We are proud to have known him as a neighbor and friend and will miss him very much.
