“ I was in the 132nd Military Police Company with Gene. He was a good Squad leader, but a even better friend. We spent many evenings after we got off duty having dinner and just talking for hours about life, love, friends, and family. When we deployed to Iraq he was always smiling and had a joke just when i needed it. I thank you gene for all the things you taught me. I will never forget you and all the time we spent. Rest easy with the lord till we meet again on the other side of this world. Goodbye to the great Cornholio (inside joke between me and gene). I Love you Brother Rest In Peace.

“ *I was with Haselden in the military police unit for awhile. He had a funny sense of humor, and always was there to help. I reflect on our deployment in Cuba he was so excited about scuba diving. Prayers to him and his family.*

I was so sorry to hear about Gene. He was one of the finest men I have ever had the pleasure to know. Gene was always the same man, and had a smile for everyone.
