“ Lisa....I was so very saddened to read of your father's death. I had hoped that he would be able to somewhat recover, at least for a little while. It was such a pleasure meeting both you and him when I framed the things for your church, and I thank you for giving me that opportunity. You and your family are in my thoughts and prayers. I am an only child myself, so I understand your loss.###imported-begin##Billie Ann Booth###imported-end##
