“ I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”

“ Will always remember Mickey fussing at Aunt Sally about her hearing aids. He told her she was too cheap to pay for the batteries so she kept them turned off. He was always kidding around with her. Of course Aunt Sally was one of my favorite aunts. I remember Mickey coming to Bear Creek to visit and playing the piano. I did not see him often but when I did it was always a wonderful time.

So sorry to hear of his passing and he will be missed.
