*I only knew Chuck for 5 years, during those years, I never heard him speak bad of another person. He loved his family, the out of doors, trying new restaurants, meeting people, his birds and the beach. Chuck did so much for people and asked nothing in return. He was in so much pain before he finally found peace. RIP Oh, you will be missed by many people!!! God Bless you Chuck---Love Linda*

“ I met and worked with Chuck at Duo-Therm (Motor Wheel) (Dometic) in LaGrange, Indiana and remember his passion for fishing. I learned a lot on those trips Walleye fishing on Lake Erie and we sure had some great times. You were a great instructor because you knew the product and knew how to get on the same page with the technicians you were teaching. Rest in piece and hopefully I'll see you again some day.

“ Radar and I had the pleasure of working with Chuck here in Indiana, when we all worked at Lakepark Industries. It was my first industrial job, and Chuck was so nice to me, and made me feel so comfortable. I'll always remember Chuck as a man with a quiet demeanor, but when he did have something to say, it was usually something said with humor. I always saw him as a classy kinda guy, like maybe he could have hung with the Rat Pack if he had ever had the chance...LOL. He was a good man, who went out of his way to help others, and who thought of his friends as his family. When we lost Brace Mallard to cancer at such a young age, Chuck was there to help comfort all of us, but we knew deep inside, his heart was breaking just as bad as ours...God bless you Chuck Hillman...say hello to Brace and Boo Boo for us...Mona and Radar

“ Worked With Chuck two different times at Leland, and quickly got to calling Chuck and Jo Ma and Pa. For truly the maintenance shop was like a family. Chuck was the type of boss that didn't order you about, instead he would lay out the issues of the day and we all took to it. And he would never ask what he wouldn't do himself. And often times, he would grab tools and go to it with the rest of us. Never before or since have I had a boss like Chuck Hillman. I will never be able to list all I learned from Chuck, for someone with his life experience had a lot to teach. Even just telling a story of times gone by. In some ways I feel I let him down in his expectations he had of me working for him, but I look back at the time working for Chuck, or sitting at his kitchen table eating a meal as the best times of my life. Chuck you will truly be missed.

“ Jo,  
We are deeply sorry for your loss. We hope that you take comfort in knowing that Chuck was loved by many and we all share your pain. You are in our thoughts today.

Steve and Chris,  
I see a lot of your dad in the two of you and you are also in our thoughts and prayers.

Steve, you have your dad's smile, his sense of humor, and that same mischievous twinkle in your eye.

Chris, you have your dad's eyes. Deep, soulful eyes that show compassion and caring for friends and family when you look long enough.

Take care of each other and if there is anything we can do, please don't hesitate to contact us.
