“ There will never be another Charles. He was the bright light that entered the room with his jokes and his grin. Always wanting to make others laugh and feel good. This office will not be the same. I listen for his funny calls and him walking through these office doors. I was honored to have worked with him and be able to call him a friend. Charles was loved by so many in his short years. Kathy, Katie, Courtney, Chase, Keith, Karen and all the Hinson family, please know I am praying for you today and every day ahead until we see him again. Sending love and hugs with my prayers.

“ You have all been in my thoughts and prayers and I want you to know how much I enjoyed spending time with Charles and the family.. He was such a sweet man and so very special to us all. He had a smile that could light up a room and he always had a story to tell. I enjoyed all of the "exercise" classes hanging out at the Hinson house and will treasure those special memories always. Your family is so very special to me and I love you all.
