“ Aunt Cork, Bryan, Lee, and families, I'm not sure I can put into words what Uncle Chuck meant to me and how sorry I am that you are having to go thru this heartache. He was the "father" who gave me away, the Eppinger who could always make me smile, and the one I knew never to turn to for ironing advice when I couldn't get a straight seam on a pair of pants:) I had forgotten how it felt when Dad died, until Wednesday. I will always cherish the memories of him. You are in my thoughts and prayers and I love you all. Terry and family###imported-begin##Terry Litzenberg###imported-end##

“ *My Condolences to Mrs. Eppinger, Bryan and Linda, and Lee and Paige. I will miss Chuck for his golf lessons and the one-liners that came out of that man's mouth...priceless. Most of all I will miss how he could send Lee off on a rant with a phrase and a look (sorry buddy, but it was always funny). With our love, James, Tina, Samantha and Danielle.##imported-begin##James Rankine##imported-end##*
