“ Dearest Janet and family, My heart and my prayers go out to you at this time. As a life long music friend and a former widow, I have supported you with my prayers through Chuck's last days and understand the magnitude of what you are facing. May God preserve your health and fill your emptiness with His peace. May the new year be a time of new beginnings that are filled with hope and unseen blessings. Never forget that God is ever near and ever present when you are widowed. Call on him and he will carry you.
