“ I knew Detective Mackey when I was a young uniform officer and he was a detective. He was a great help to me to learn things about investigation and knowledge of criminals that I may not have learned elsewhere. I have thought about him since as I am an investigator now and try to teach others as he taught me, with patience. I'm thankful that I got to know him. “ Dear Mackey daughters & Ann, I am so sorry to hear of you Dad's passing. He and my father Harry Williams were great friends in the early years, Daddy was a career FF and a volunteer at St 6 in Falls Church and of course your Dad was a volunteer life member. When I came to work at the Police Department it was reassuring to have someone there I already knew. Your Dad always loved to talk about his girls and used to regale me with stories. Little did you know the details I had. I still have a couple framed dried flower arrangements that your Mom made back in the day. I was lucky to see him the last time he came up to Virginia. As you know, your Dad loved you girls a lot. Please accept my sympathy on your loss.###imported-begin##Eileen Williams###imported-end##
