“ *If tears could build a stairway And memories were a lane We would walk right up to heaven And bring you back again No farewell words were spoken No time to say goodbye You were gone before we knew it And only god knows why Our hearts still ache in sadness And secret tears still flow What it meant to lose you No one can ever know But now we know you want us To mourn for you no more To remember all the happy times Life still has more in store Since you?ll never be forgotten We pledge to you today A hallowed place within our hearts Is where you?ll always stay!
