“ Thinking of Charlie, I hear his infectious laugh and remember the many evenings of fun we had over the years playing Trivial Pursuit with the guys. He was a great boss and dedicated public servant. My sympathy to Jo and family. *Lou Polise*

“ It was such a pleasure to work with Charley at the Health Care Financing Administration. He was always in a good mood and we could count on seeing a smile on his face. He was a master of the technicalities of his job, and he did everything he could to make things run smoothly. I am so sorry for his loss.
