Charles, my darling son, you are always on my mind and I miss you more than I know the words to describe. Your Father still cries every day, even though we are so thankful that we had you with us for 58 years. You were so precious as a little boy and continued to make us proud for all the days of your life on this earth. God knew how much we loved you, so He must have needed you for a special place.

“ *So sorry for your great loss. The times I got to spend with Charles always made me feel better. This says a lot about who he was. A rock solid guy and a friend to all. He will be sorely missed.*
