

Charles William Purvis

September 5, 1990 - January 26, 2025

Conway...

Sunday, January 26, 2025, is a day that will forever be etched in our minds and hearts. On this day we experienced the tragic and unexpected loss of Charles; our son, brother, uncle, nephew, cousin, neighbor, classmate, and a friend to everyone he met.

Charles William Purvis, age 34, was born in Conway, a son of William Carl Purvis, Jr. and Nancy Elaine Allen Purvis. He was predeceased by his paternal grandparents, WC and Willa Mae Purvis and his maternal grandparents, Francis and Opal Allen.

Surviving in addition to his parents are a sister, Mary McKellar Purvis Hunsucker and her husband, Colby; two nieces Carly Mae and Sadie Elaine Hunsucker. He is also survived by two aunts: Linda Stevens (Delan) and Lynn Purvis; one uncle, Bennie Allen (Donna); and six first cousins: Lucas Williams (Kristen), Morgan Williams (Charlie), Forrest Lewis, Scarlett Lewis, Sarah Hilts (Andrew) and Katie Peter (Michael).

He was a member of First United Methodist Church and a 2009 graduate of Carolina Forest High School. Charles was the owner and operator of CWP Services, LLC and was employed by Waccamaw Prosthetics and Orthotics.

He loved and enjoyed what he did and took pride in everything. He preferred the simple life, loving to fix just about anything. He was a young man with many plans and projects, always dreaming of his next overhaul. Charles beat to his own tune, never stressing over trying to make an impression, yet walking through life making a lasting impression on all those he met on his brief yet powerful journey. His love for his family and friends was deep and genuine, as well as for anyone he met. His true passions were fishing, hunting, everything outdoors, and helping others.

A Celebration of Life service will be held at 2:00 p.m. on Thursday, January 30th at First United Methodist Church, Conway, led by Rev. Kyle Randall. The family will receive friends prior to the service from 12:00 - 2:00 p.m. in the church Commons Area. In lieu of flowers, the family suggests memorials be made to the charity of your choice.

“ I've known your special family MANY years. The cousins were babies! Every day I've been going on Charles Facebook page and reading the wonderful tribute posts! What an awesome guy he was! I've been wanting to write a message here but just didn't know what to say! This morning I just happened to see that Charles had almost 4000 friends!!! 4000!!! To me that pretty much says it all! Only 34 years old, but he touched so many! We should all strive to have a heart like Charles! He made the world a better place! Prayers coming to his family and to all that loved him!

Words can't express how sorry I am for the loss of this fine young man. There was never a time that I saw him that he didn't have a big smile on his face or kind words to say. I got to know him and we'd laugh and talk when he would come and fix my yard. I don't know of anyone else with such a happy go lucky attitude on life. I will miss my young friend, but I'm looking forward to laughing with him again one day. Until then my friend, keep smiling and when the sun shines, I'll know you are looking down on us.

“ *Carl, Nancy and Family,
Know that you are all in my thoughts and prayers during this difficult time and in the days and months to follow. I did not know Charles but reading his obituary and all the tributes shared, tell of the wonderful person (son, brother & friend) he was to many from his early years and going forward. Keep your memories close to heart and in time those memories will bring joy, a smile and even laughter, which I know is hard to imagine at this time.

“ Carl, Nancy, and family, there are no words that are sufficient to convey the sorrow that I share with you. My heart aches as I think of this bright light no longer brightening us in person! Like Tona, when I hear his name or think of "Fish Stick", I see that bright smile and sweet spirit! I think of our children playing together after school or at your house. I think of Charles entertaining us with a twinkle in his eye. His light will continue to shine in all the lives he touched while here among us. He truly lived with joy, kindness, and service to others. Know that you all are in our prayers - prayers for comfort, peace, and healing.

Love to you all,

“ There's not a memory that I have of the "Fish Stick" where I don't see that precious smile. I remember the nights that he waited for me to call after leaving your house to make sure that I got home okay. My heart is so broken for you, Carl, and Mary McKellar. Please take comfort in the life that he had, on his own terms, and how very much he was loved. I am lifting and covering you all in prayer...

“ Dearest Nancy and Carl, Mary McKellar and Linda, and all of Charles’ family and friends, my heart breaks for all of you for the tragedy you are facing. There are no words that can ease your pain and heartache for now, but as time passes the good memories will replace the sadness. There is no time frame for this to happen, but it will happen. May God wrap you all in His arms and love you through this. You all are in my prayers. Very Sincerely, Sheron Pope

“ Most of my memories of Charles are from our time in elementary school - he was one of my very best friends growing up. I remember Charles and I getting pulled out of class when Abby Davis (now Morris)’s mama was diagnosed with breast cancer back in, I think, fifth grade. Charles and I were pulled to be with her and comfort her during the scariest time of her life. The three of us sat in a room together for hours, Abby and I watching and laughing as Charles goofed off to lighten her spirits. All of my experiences with and memories of Charles from the time we met into adulthood follow this theme - a selfless, joyous soul, looking out for those around him and lifting everyone’s spirits. My heart breaks for the Purvis family and his close family and friends. And my prayer is for his light to live on in them in his memory.
