“ We met Chuck and Linda in 2016 when we moved right across from them.

Great Neighbors ,Chuck always tinkering in the garage building cat trees or something nice for the yard.

Ken liked sitting with Chuck in the backyard talking about military times and anything else.Chuck always had a great attitude and Spirit and one or two jokes to tell.

We will miss him dearly.

“ I am so saddened by Chuck's passing. I feel like I have lost my best friend. Chuck and I were best buddies in high school. Later on we found either other and texted almost every day we enjoyed watching football games and texting our thoughts. I miss him already. God Bless Lynda and family. Please be with them at this difficult time.

“ We had many lovely motorcycle rides across the country the US & Canada, the most special being just a short ride post transplant. He was a wonderful friend and loved him like the big brother I never had. I hope he has my motorcycle waiting for me when it's my time to see him. Love you Chuckles.

Jesus said, “My Peace I leave with you.” I pray that you feel His unexplainable peace and comfort the next days, weeks and forever!!! I was so saddened to hear about Chuck’s passing. Losing a spouse is like losing one’s direction in the storm. Jesus can calm the storm and show you the way. I will be praying for you and the family 🙏
